NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as 1, 2, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as 1, 2, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge: and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

the 15th & 20th of August 1862 or about that
time. we had marched one day. The
morning next morning to start and the
prisoner Barnabas Followell was missing.
I rode back and searched for him. I
found his horse and his gun and
accoutrements in a corner of a fence near
his horse. I called and he did not
answer. I looked around in the stables
etc. and did not find him. He
remained absent until he came back
in the latter part of August 1862 with
Capt Carson who had command of
a lot of stragglers from other companies.

I know nothing in reference to his having

Ans.

My recollection is that Followell threw up to the Lieut. that he had no business in the company & wanted to know how he came there. he cursed the Lt and abused him a good deal - both said a good deal and seemed to be powering.

Lt Blaine wanted him to go to the Convalescent Det. He was about to send him to the Guard House but when the men detested for that purpose went to look for him he was gone.

The testimony here closed and the court having been closed after due deliberation. The Court then found against the prisoner Bernard Followell private of Co I & 8th Cav.

as follows:

Of the 1st Specification Charge 1st
Guilty - except so much of said Spec.
as charges him with having gone to
his home in Casey County & remaining
there until apprehended

Of the 2nd Specification. Charge 1st
Guilty - Except, as to the words
and "then remained until apprehended
and brought back to camp by Lt
H. W. Dunn & W. H. Carr." There is much

with losing his Horse arms &c."

Of Charge 1st Guilty.

Of Specification Charge 2nd
Not Guilty.

Of Charge 2. Not Guilty.

Of Spec. Charge 3. Guilty
as to the charge of using abusive
language to Lt Bland - of the balance
